## Comprehensive Support

**Research Updates:** Clinical results, R&D, world's largest relational database of brainwave activity!

**Case Management:** Direct help with specific client cases, evaluation of patterns and protocols.

**Provider Community:** Collaboration with other providers through Forums, Q&A, and Web tools.

**Technical Assistance:** Automatic software updates, and 24/7 support via phone, email, online.

**Marketing Resources:** Provider Resource Center, customized materials, promotion guidance.

**Ongoing Education:** Online classes, Webinars, Annual Master's Program, and BST Certifications.

## Investment Options

Brain State Technologies offers investment options that make it affordable for you to provide its cutting-edge neuro-technology. Financing is also available.

## Licensing Upgrades

A **mobile license** can be purchased so you may take the BWO process directly to clients. In addition, **multiple licenses** can be bought so you can service several chairs at one location.

## Program Incentives

Some licensing programs include special offers such as a FREE Website, Marketing Consultation, Virtual Office Set-Up, Limitless You (book), and Discovery Day\*.
